Sometimes games don't load because of AdBlock, turn it off and try again What about inviting your opponent to a duel you're going to do on the roof? This duel will take place with asian rifles. It won't be enough for you to hit your opponent, too, you'll have to push your opponent off the roof of your shoots. The player who presses his opponent for five times wins the game. Player 1: Jump: W Shoot: E Player 2: Jump: I Shoot: O Have Fun! This action game features all the fun and retro graphics from the first title. The blocky characters are fun to control – choose from 5 different players and unlock new models too. In this sniper game, you need to use gravity and movement to your advantage. Physics is hard to master at first, but players quickly get used to movement and actions. Shoot your opponent using the E key - synchronization is key and users must watch as the gun hand raises. For each level, different weapons are used except snipers. Get on the roofs with rocket launchers, spears, and even an axe! The two-player game allows users to compete with their friends and try to knock them off the roof. This adds another interesting level of play. Why not jump into action and play snipers on the roof today?
